TO WHOM IT MAY CONCERN

The Ennemoser Tourism Consultancy, Innsbruck, and the Ennemoser & Grünng Consultancy GmbH, Vienna, are known to me as respectable management consulting firms which specialize in tourism and the hospitality industry. Both companies are formed under the laws of the Federal Republic of Austria. Both managing directors, Mr. Ennemoser as well as Mr. Grünng, are renowned tourism experts with a broad knowledge of the Austrian international tourism industry.

Moreover, Dr. Klaus Ennemoser is presently acting as public law representative of the Austrian Tourism and Leisure Industry in several positions, such as Chairman of the Tourism Educational Board in Tyrol, and Federal Vice President of the Tourism and Leisure Industries Division within the Austrian Economic Chamber.

With best regards,
